

STANDARD STOCK SLING RANGE

Sling sizing is identifiable by the clearly marked colour coded size label, binding and central guiding handle on the back of the sling - see the chart and image guides below.

Note: The In-Situ range will continue to have black binding and will be clearly identifiable by the colour coded size label.

NB: The colour coding for sizing above is as recommended in ISO 10535:2021.

The Silvalea standard sling range made in grey polyester has colour coded binding which relates to the chart.

The In-Situ range has black coloured binding.
