

Full Body (Clips)

The Oxford® Full Body (Clips) is a general-purpose sling with integrated head support offering excellent comfort and support for clients. Quick and easy to apply, this sling utilises Securi3 clip attachment points to suit 4-point positioning cradles and offers good protection for patients who go into extension or have moderate involuntary movements or behavioural problems.

- ✓ Available in polyester solid or net material options
- ✓ Padded leg sections as standard for increased comfort
- ✓ Patented Securi3 clip attachment points
- ✓ Colour coded binding indicates sling size
- ✓ Positioning handles allow easy patient repositioning
- ✓ Modesty loop helps protect patient dignity during transfer
- ✓ Can be customised to fulfil patient specific needs
