

High Back

The Oxford® High Back sling is designed for lifting and transferring clients from either a seated or recumbent position. Made from heavy-duty polyester and with integrated head support, it offers good support and reassurance for the client.

- ✓ Removable 'bones' to the back section offer added support
- ✓ Padded leg sections for increased comfort
- ✓ Positioning pocket enables easier application
- ✓ Discreet colour coded tab on top section to denote size
- ✓ Can be customised to fulfil patient specific needs
